#### K. CONFERENCES & PROGRAMS DESIGNED & DEVELOPED

1. **Lyon, M.** 1998-2000 The Transitions Program - an integrated and individualized group and community based intervention to assist chronically ill young adults to make the transition from Children’s National Medical Center to adult health care facilities. As part of this effort, a regional conference for professionals and consumers was held at CNMC.
2. **Lyon, M.** 1997-2000. The HARRT Group – a 12-week intervention to increase adherence with medication of HIV-positive adolescents. The group was a family-based approach. Disclosure of HIV status was required. Three groups were successfully implemented and evaluated.
3. **Lyon, M.** 1999. Morale Retreat – a two-day retreat for all hospital staff working with HIV positive patients in collaboration with the St. Francis Center.
4. **Lyon, M.** 1993-1995 The Life Force Group – a 30-week intervention designed to decrease high risk behaviors for at risk and HIV-positive youth. The group emphasized job skills and life skills. Disclosure of HIV status was not required. Four groups successfully implemented and evaluated.
5. **Lyon, M.** (August 25, 1998 – Philadelphia, PA) (August 18, 1998 – Washington, DC) (July 21, 1998 – Chicago, IL) (June 30, 1998 – New York, NY) (June 16, 1998 – Columbus, OH). Individual Psychotherapy with Chronically Ill Clients and Their Families. American Health Care Institute.

L. REGIONAL & NATIONAL PROFESSIONAL WORKSHOPS:

1. Abraham A & **Lyon M.** (March 26, 2009). Only Skin Deep: Responding to “Dr. 90210”. Society for Adolescent Medicine, Los Angeles, CA. Average rank 4.73 (Scale 1-5).
2. **Lyon M** (March 27, 2009). Mental Health Providers Networking. Society for Adolescent Medicine, Los Angeles, CA. Average rank 4.56 (Scale 1-5).
3. \***Lyon, M.** & Ogilvie, B. (October 6, 2008). Ethical Issues and HIV Mental Health Services. Workshop Director. NIMH Annual International Scientific Conference on the Role of Families in Preventing and Adapting to HIV/AIDS. Providence, R.I. Average rank 4.32 (Scale 1-5).
4. **Lyon, M.** (June 6, 2008). Mental Health Providers Luncheon. Society for Adolescent Medicine, Greensboro, N.C. Average rank 4.65 (Scale 1-5).
5. \***Lyon, M.** & Selden, AK. (May 9, 2008). Counseling and Testing and Ethical Issues and HIV Mental Health Services. Workshop Director. George Washington University, Department of Psychology. Washington, D.C. Average rank 4.58 (Scale 1-5).
6. \***Lyon, M.** & O’Hearn, P. (July 26, 2007). Ethical Issues and HIV Mental Health Services. Workshop Director. NIMH Annual International Scientific Conference on the Role of Families in Preventing and Adapting to HIV/AIDS. Los Angeles, CA.
7. \*Marsh, J., Horn, I. & **Lyon, M.** (May 8, 2007). Produce, present, publish – Do not perish! An interactive workshop for clinical researchers and statistical consultants. PAS, Toronto, Canada. Mean rating on a score from 1-4, with 1= Very Poor and 4= Outstanding, was 3.73.
8. \***Lyon, M.** & Christie, Deborah. (March 29, 2007). Special Interest Group Director: Mental Health Providers. Society for Adolescent Medicine. Denver, C). Average rank 4.67 (Scale 1-5).
9. \***Lyon, M.** & Parga, FJ. (July 20, 2006). Ethical Issues and HIV Mental Health Services. Workshop Director. NIMH International Conference on the Families Affected and Infected with HIV. San Juan, Puerto Rico. Average rank 4.9 (Scale 1-5).
