15. **Consultant Psychiatrist and Head of Research Unit (TWIN POSITION),**

Administration for Mental Health and Social Services, Ministry Of Health, Riyadh, Saudi Arabia since 18 June 2006 and continuing.

16. **Assistant Professor Job offered in 2011 by College of Health Sciences**

King Abdulaziz Bin Saud University for Health Sciences.

17. **Public Health Specialist**

Administration for Medical Research

Riyadh, Saudi Arabia since 16.12.1427H and continuing (**15 & 17-twin positions**)

18. **Hon. Assistant Professor of Clinical Psychiatry (Teacher and Examiner)**

Al-Qassim University, Buraidah, Saudi Arabia

19. **WebMedCentral: Faculty Lead in Psychiatry Specialty from the current year 2012**

Detailed “Curriculum Vitae”

1. Personal Data

- a). Name : Dr. Naseem Akhtar Qureshi, M.B,B.S, MD, PhD
- b). Sex : Male
- c). Marital Status : Married with two children
- d). Date of Birth : 1.1.1955
- e). Nationality : Indian, Muslim
- f). Father's Name : [Late] Mr. Abdul Jabbar
- g). **Passport number and expiry date: XXXXXXXX, 24.10.2015**
- h). Correspondence Address :
Email:qureshinaseem@live.com
Mobile:+966564542710

2. Education

- a). High School (1968). first division-Received National Merit Scholarship [from 1968 to 1976 until I completed my M.B,B.S]
- b). Intermediate. (1970) first division

3. Professional Qualification

- a). **MBBS (1977)**, and
- b).**MD [Psychiatry] (1980/81)**. Both degrees from King George's Medical University, Lucknow India.
- c). Post-graduate course certificate in *Torture Medicine*, India.
- d). **PhD (10 March 2005) from the Erasmus University, Rotterdam, The Netherlands.**

4. Experience & Positions held

- a). Research Associate (1980-1982) in King George's Medical College
- b). Senior Resident (1982-1983) in Dr.Ram Manohar Lohia Hospital, New Delhi.
- c). Appointed as Lecturer in Psychiatry in Institute of Medical Sciences, Banaras Hindu University , India in 1983 but I did not join as I came to Saudi Arabia.

- d). Specialist in Psychiatry and Liaison Officer (1983-2005) IN AND MEDICAL DIRECTOR (>10YEARS) OF Buraidah Mental Health Hospital, Al-Qassim, Kingdom of Saudi Arabia.
- e). The Editors of Modern Medicine Journal granted to me a **Consultant** Certificate for my moral support and loyalty to Modern Medicine.
- f). **Consultant Psychiatrist** included in International Referral Booklet [Online too], American Psychiatric Association, Washington, DC., USA.
- g). Consultant Liaison Psychiatrist-Primary Health Care, 1990-2005

6. RECENTLY REVIEWED PAPERS: Since the year 2005

1: Date: 17 July 2005

Name of the journal: Eastern Mediterranean Health Journal

TITLE: Sleep-wake cycle disturbance in protein energy malnutrition: effect of nutritional rehabilitation.

2. Date: 26 July 2005

Name of the journal: Eastern Mediterranean Health Journal

TITLE: knowledge and attitudes towards attention deficit hyperactivity disorder among elementary teachers.

3. Date: 11 September 2005

Name of the journal: Eastern Mediterranean Health Journal

TITLE: Research issues on Child Sexual Abuse among sample from an ethnic minority group living the United Kingdom.

4. Date: 14 November 2005

Name of the journal: Eastern Mediterranean Health Journal

TITLE: Anxiety, depression and anger in Iranian breast cancer patients compared with the general population.

5. Date: 27 February 2006

Name of the journal: Eastern Mediterranean Health Journal

TITLE: Dpressive symptoms among high school adolescents in Oman.

6. Date 20/6/2005

Name of the journal: Neurosciences Journal

Re: Neuroleptic malignant syndrome: a case report and review of the literature.

7. Date: 15 March 2006

Name of the journal: Eastern Mediterranean Health Journal

TITLE: Psychiatric ailments in hepatitis Bvirus carriers.

8. Date: 1 JUNE 2006

Name of the journal: Neurosciences Journal

TITLE:The prevalence of obsessive compulsive disorder among adults and comorbidity in depressive or anxiety disorders.

9: Date: 20 July 2006

Name of the journal: Eastern Mediterranean Health Journal

Title: Pattern of Child and adolescent admission into Psychiatric wards in King Khalid University Hospital, Riyadh.

10: : Date: 10 December 2006

Name of the journal: Eastern Mediterranean Health Journal

Title: PATTERNS OF PSYCHOTROPIC MEDICATION USE FOR CHILDREN AND ADOLESCENTS IN PSYCHIATRIC INPATIENT.

11: Date: 17 December 2006

Name of the journal: Eastern Mediterranean Health Journal

DELIBERATE SELF-POISONING: EXPERIENCE AT A PAKISTANI MEDICAL UNIT.

12. September 2007-09-24

Rotavirus infection in infants and young children with acute gastroenteritis in Gaza, Palestine.

Annals of AlQuds Medicine.

13. 26 September 2007; Name of the journal: Eastern Mediterranean Health Journal

Relationship between job burnout and job performance inability in a sample of Iranian

Mental Health Staff.

14. 24 November 2007: Name of the journal: Eastern Mediterranean Health Journal
Depressive disorder and sex-based victimization: an Iranian scenario
15. Manuscript No.: 08/47; Name of the journal: Eastern Mediterranean Health Journal
"The effect of group reminiscences on older adults' depression in Shiraz Jahandidegan center, 2007.
16. Manuscript No.: 08/223; Name of the journal: Eastern Mediterranean Health Journal
"Risk percction and risky behaviors for HIV infection among drug addicts in the Nile Delta of Egypt, 2008.
