Comment: Not the Hilton or the Courtyard, and rooms smell smoky, may affect allergy-

staff is responsive to guest needs and tolerable if you don’t have the budget to stay at
other places. Also, plans are in place to renovate the entire hotel, which should be
completed by 8/8/21.

**Recommended Transportation**
If you do not drive to Durham, we strongly suggested that you **rent a car**, as you will need individual transportation, and the weather during the summer months can be very hot or stormy. You will need to travel for lunch and dinner, mentoring sessions, and to get to the library or other places of interest during your free time.
