

## SAAD ALSHOHAIB, MBBCH, FACP

### Personal Data

Name : Saad Saleh ALSHOHAIB  
Marital Status : Married with children  
Address : KAUH P.O. Box 126320 Jeddah Saudi Arabia Postal Code 21352  
Email Address: [Salshohaib@kau-edu.sa](mailto:Salshohaib@kau-edu.sa)  
Post : Professor of Medicine & Nephrology

### Certificates

1. MBBCH with very good grade – Faculty of Medicine, King Abdulaziz University, Jeddah 1982
2. Fellow of the American College of Physicians (FACP)
3. American Board of General Medicine 1988
4. Canadian Fellowship in Medicine 1989
5. American Board of Nephrology 1990
6. Certificate of Fellowship in Nephrology 1990 from McGill University, Montreal, Canada

### Academic Positions

#### **Present Position:**

Professor of Medicine and Nephrology in King Abdul-Aziz University (KAUH) faculty of medicine, and consultant nephrologist in KAUH and IMC

### **Past Positions:**

Associate Professor of Medicine & Nephrology, King Abdulaziz University, May 1999 – 2010. Academic posts during this time included the following

- Director resident training between 2003- 2005
- Examiner for the Saudi council fellowship
- Member of the legal committee (the committee include a judge and an expert in the filed)
- Member of the executive committee for health services in western region
- Director of the department of nephrology and hemodialysis unit in KAUH
- Member of the examination committee
- Academic Advisor for the fourth year students
- Visiting Lecturer to Ibn Sina Medical College (Private Medical College in Jeddah)
- Director of Academic Affairs and Consultant Nephrologists, King Khalid National Guard Hospital October 1997 – February 2000
- Chief of Staff – King Khalid National Guard Hospital, Jeddah, August 1995 – September 1997
- Consultant Nephrologist – King Khalid National Guard Hospital, October 1991 – February 2000
- Assistant Professor in Medicine & Nephrology in King Abdulaziz Hospital, September 1990 – September 1991 with additional clinical responsibilities in King Abdulaziz Hospital.
- Fellow in Nephrology – July 1988 – September 1990. Trained in Transplant 9/12, Hemodialysis 4/12, CAPD 3/12, Pediatric nephrology 3/12, McGill University, Montreal, Canada
- Resident – R1, R2, R3 in Medicine, University of Alberta, Canada, July 1985 – June 1988
- Demonstrator (SHO) to Department of Medicine – King Abdulaziz University, Jeddah, 1983 – June 1985
- Internship – King Abdulaziz University, August 1982 – July 1983

### **Membership**

- Member of the Arab Society of Nephrology
- Member of the Saudi Society of Nephrology
- Founder and ex-President of the Nephrology Club in the Western Region

### **Oral Presentation**

- **S.A. Shohaib**, Mohammed Tashkandi  
Renal & Electrolyte Disturbance in Heat Stroke  
Presented in the American Society of Nephrology Meeting 1994, Florida, USA
- **S. Al Shohaib**, A. Al Zeer, I.A. Hashim, M. Shaheen & A. Shenkin (1995)  
Increase plasma concentration of soluble tumor necrosis factor receptors in heat stroke: correlation with plasma creatinine value.  
EDTA-European Nephrology Association XXX11 Congress
- I.A. Hashim, A. Al Zeer, M. Al Ahwal, **A. Al Shohaib**, & A. Shenkin (1995)

Serum interleukin-6 (IL-6) and C-reactive protein (CRP), in heat stroke patients during pilgrimage to Makkah  
Proc. Of the ACB National Meeting. Abs. C55

- Al Zeer, I.A. Hashim, M. Shaheen, **S. Al Shohaib**, & A. Shenkin (1995)  
Internleukin-1 receptor antagonists (IL-Ira) in heat stroke patients during prilgrimage to Makkah  
Clinical Intensive Care, 6 (2) Suppl.
- **S. Al Shohaib**, O. Nassif, S. Jalal (5-8 December 1993)  
The Pattern of renal disease in the western part of Saudi Arabia  
Presented in the Third Congress of the Arab Society of nephrology & Renal Transplantation
- Different presentations in local symposia as a guest speaker in an average of twice per year
